Dear Hiring Manager,

I have a B.S. in graphic design, 9+ years experience as a graphic / web designer and am fluent in Photoshop, Illustrator, and InDesign as well as many other web and print design tools. Having experience with industry leaders such as eBay and Adobe, I have received many commendations, and work well with managers, clients and vendors in a team or on my own. Known for my creativity as well as hard work I have a 100% success rate at meeting deadlines.

I would like the opportunity to talk to you about this position.

Thank you very much.

Sincerely,
Richard Belotte
